

UNITED STATES NAVY

# MEDICAL NEWS LETTER

Rear Admiral Bartholomew W. Hogan MC USN - Surgeon General  
Captain Leslie B. Marshall MC USN (RET) - Editor

## I N D E X

Volume 28, Numbers 1 - 12  
6 July through 21 December 1956

The printing of this publication has been approved by the Director of the Bureau of the Budget, 16 May 1955.

ABO SUBGROUPS in blood transfusions, role of, 11:5

Accident

- aircraft and emergency plan (USAF hospital), 8:34
- prevention program, motor vehicle, Cherry Point, N. C., 6:22
- excerpts from medical officers' reports (Aviation), 4:34

ADA Certificate of Honor, 10:28

Adenovirus infections, control of, 6:31

Aero Medical Association annual meeting, May 1957, regulations for presentation of papers, 8:35

Amebiasis

- pulmonary complications of, 8:8
- studies of waterborne outbreak, South Bend, Ind., 2:38

American Specialty Board, reimbursement for Board fees and short course registrations, 10:19

Amphetamine resin complex for prolonged appetite suppression, 2:5

Anemia, sickle-cell in pregnancy, 7:9

Anesthesiology

- Dyclonine, a new anesthetic agent, 8:15
- safety of curare in anesthesia, 2:17

Aneurysmal bone cyst, 5:8

Antibiotic sensitivity testing, 1:37

Antibiotics in treatment of virus diseases, 9:35

Anticoagulant therapy, long-term, for myocardial infarction, 6:6

Antiemetic agents, therapeutic appraisal of, 11:10

Appetite suppression, amphetamine-resin complex for, 2:5

Arctic operations, 12:28

Arterial - hypertensive pulmonary vascular disease, 9:7

Arthritis, rheumatoid, management of, 9:8

Atomic energy, future of, 3:34

Atrial fibrillation, established, problem of, 1:8

Au<sup>198</sup> in control of malignant effusions, 1:10

Aviation

- aircraft accident and emergency plan (USAF hospital) 8:34
- aviators' individual first-aid kit, 4:39
- bends, postflight reoccurrence of, 4:32
- medical officers' reports, excerpts from, 4:34
- postgraduate courses in, 4:38
- NACA 1956 Triennial Inspection of Langley Aeronautical Laboratory, 12:30
- pathology, scientific meeting on, 9:23
- suspected hypoxia in high altitude flight, 8:38
- three jet trainer accidents, 8:29
- toxicology studies in unexplained aircraft accidents, 4:30
- trainer for underwater survival, 8:37

Aviators' Service Group classification, 4:32

BACTERIOLOGY, water, present state of knowledge concerning the membrane filter, 9:36

Barbiturate poisoning, treatment of, 2:2

Bends, postflight reoccurrence of, reaction to, 4:32

Beryllium workers, pulmonary granulomatosis, a case report, 11:38

Betatron therapy in vesical carcinoma, 9:13

Biologic effects of atomic radiation, 4:12

Blood

- acute leukemia over age of fifty, 10:10
- long-term anticoagulant therapy for myocardial infarction, 6:6
- loss in oral surgery, 2:10
- newer agents in treatment of leukemia, 11:23
- observations on the morphology of erythropoietic cells in human lead poisoning, 11:39
- purpura in childhood, 6:5
- sickle-cell anemia in pregnancy, 7:9
- transfusions, role of ABO subgroups in, 11:5

Board certifications, 2:23, 4:19, 10:20

Bone

- aneurysmal, 5:8
- epiphyseolysis, 10:6

Bones, skeletal lesions in young children due to trauma, 3:10

Botulism, Los Angeles County Health Dept., cases of, 5:32

Bronchial cancer, results of radiotherapy, 4:10

Burns, treatment of 3:2

CAISSON DISEASE, roentgen manifestations of, 3:15

Cancer

- Au<sup>198</sup> in control of malignant effusions, 1:10
- betatron therapy in vesical carcinoma, 9:13
- bronchial, results of radiotherapy, 4:10
- carcinoid and serotonin, 5:7
- chordotomy for pain of gynecologic malignancy, 11:20
- cobalt 60 beam therapy for, 6:9
- groin dissection, 1:14
- hormone therapy in prostatic, 12:15
- management of lingual, 11:16
- primary pulmonary carcinoma associated with active pulmonary tuberculosis, 6:8
- probability of developing, 6:19
- prophylactic treatment of, 5:6
- pulmonary infarcts and pulmonary carcinoma, 11:21
- spontaneous regression of, 9:14

Cardiac rupture, pathogenesis of, due to myocardial infarction, 11:8

Cardiology

- anticoagulant therapy, long-term, for myocardial infarction, 6:6
- complete heart block, 7:6
- myocardial infarction treated by early ambulation, 5:13
- problem of established atrial fibrillation, 1:8

Cataract extraction, eye infections following, 3:13

Cesarean section, vaginal delivery following, 6:13

Chest

- chronic obstructive pulmonary emphysema, 7:8
- critically crushed, 11:36
- hypertensive pulmonary vascular disease, 9:7
- pancreatic dornase aerosol, 10:8
- survey, importance of, 3:40

Cholografin methylglucamine, 12:17

Chordotomy for the pain of gynecologic malignancy, 11:20

Chronically ill - five million people, 4:3

Circulation, results of prolonged treatment with pentolinium tartrate, 2:9

Civil Service employee, health program for, 2:39

Note: Figures indicate number and page in Volume 28. For example, ABO SUBGROUPS in blood transfusions, role of, 11:5 indicates that this item may be found in News Letter, Number 11, page 5.

## Civilian

- institutions, dental officers attending, 9:24
- medical jackets, uniform, 2:40
- physicians in BuMed Managed activities, 6:27

## Class "A" School Training for HC, 8:27

Cobalt 60 beam therapy, 6:9

Coliform organisms, detection of, 11:25

Commandant's representatives, Reserve officers as, 11:31

## Contracture

Dupuytren's, 7:4

Volkman's ischemic, 7:2

Corticosteroids in severe peritonitis, 12:12

Creed, Naval Reservist's, 9:28

Curare, safety of in anesthesia, 2:17

Cyst, aneurysmal bone, 5:8

Cystic fibrosis of the pancreas, 8:5

DARK ADAPTATION of divers, 5:31, 9:29

Death, unexpected in early life, 11:15

## Dental

anniversary observance, 44th, 5:22

enlisted instructors needed for technicians'

schools, classes A, B, and C, 1:25

meeting in Lima, Peru, 10:29

-Medical Seminar, Atlantic City, October 1956, 6:28

officers attending civilian institutions, 9:24

sea duty for officers, 4:20

"Operation Build-Up" - 5:23

principles of resuscitation in the dental office, 8:9

program, Marine Corps, highlights of, 4:21

Reserve Seminar, Atlantic City, October 1956, 3:27

serum hepatitis following dental procedures, 9:11

technician training opportunities, 6:29

training aid pamphlet, 9:24

treatment, VA Fact Sheets concerning eligibility

for, 11:30

## Dentistry

blood loss in oral surgery, 2:10

Naval Research in, 10:29

philosophy of partial denture design, 11:11

radiation exposure during oral roentgenography, 2:12

tissue changes during aging, 12:7

Dermatology, control of occupational dermatitis, 10:36

Dictation systems for hospitals, remote control, 6:3

Directives pertinent to preventive medicine, 5:39

Disaster plan, a test run in Washington, D.C. hospital, 5:36

Divers, dark adaptation of, 5:31, 9:29

Diving casualty case studies, 4:26, 5:26, 7:26

Diving physicals, attention to, 5:31

Dupuytren's Contracture, 7:4

Dyclonine, a new local anesthetic agent, 8:15

ENCEPHALITIS, hemorrhagic herpetic, 12:5

Enlisted Hospital Corps, report of, 6:27

Environment, physical adjustment to natural, with reference to warm climates and Naval personnel, (British Royal Navy), 6:33

Environmental sanitation officers needed, 10:40

## Epidemiology

control of adenovirus infections, 6:31

DEW Line for TB, tuberculin testing (Canada), 10:38

## Epidemiology (continued)

diagnostic problem of histoplasmosis, 8:13

epidemic salmonellosis aboard ship, 11:35

influenza during winter of 1955-1956, 9:31

new designation of a group of viruses, 5:34

paratyphoid, epidemic in Lancaster, Pa., 5:33

poliomyelitis vaccine, 1:30

poliomyelitis vaccine for adults, 9:31

poliomyelitis vaccine, effect of freezing, 2:33

significance of fruit and vegetables in transmis-

sion of intestinal infections (Belgrade), 2:38

studies of waterborne outbreak of amebiasis,

South Bend, Ind., investigation of family contacts,

2:38

swimming pool in transmission of pharyngeal-

conjunctival fever (Toronto and Washington, D.C.),

1:31

usefulness of tuberculin skin test, 10:37

Epiphysiolysis, 10:6

EPTE defects, surgical treatment for, Navy policy, 10:18

Errors on NavMed Form-F, 8:21

Esophageal hernia, short, treatment by Finney pyloro-

plasty, 11:18

Examinations in industry, medical, guiding principles of,

9:34

Eye infection following cataract extraction, 3:13

FACIAL INJURIES (automobile casualties), 3:8

"Fatal Fallacies" (in operating motor-driven vehicles)

7:14

Fatigue, 9:40

Fibrosis, cystic of the pancreas, 8:5

Film reference guide for Medical and allied services,

9:18

## Fitness

for promotion through correspondence courses

(Dental), 11:29

professional for promotion of Naval Reserve

officers of Medical Department, 10:27

First-Aid kit, aviators' individual, 4:39

"Five Million People" (chronically ill), 4:3

## Food

hygiene (Environmental Sanitation Committee of

WHO), 7:35

poisoning (barracuda in Florida), 8:17

mess sanitation improvement, 5:40

service training aids, 3:34

Foods, obtaining from approved sources, 6:38

GASTRIC ANALYSIS, tubeless, 1:6

Gastroenterology, pseudomembranous enterocolitis, 1:9

General sanitation, BuDocks directives pertinent to

preventive medicine, 5:39

## Geriatrics

rodent ulcer, 12:14

tissue changes during, 12:7

Gold in control of malignant effusions, 1:10

Gonorrhea, penicillin prophylaxis, 1:2

Gout, treatment of, 2:7

Groin dissection, 1:14

Guantanamo Bay, Dedication of USNH, 8:2

Gynecology and obstetrics, uterine retrodisplacement,

6:12

HEADACHE, spinal and postconcussion, 6:10

- Health program for Civil Service employees, 2:39  
 Heart block, complete, 7:6  
 Hemorrhagic herpetic encephalitis, 12:5  
 Hepatitis, serum, following dental procedures, 9:11  
 Hepatoma, primary, in infants and children, 2:15  
 Hernia  
     esophageal, short, treatment by Finney pyloro-  
     plasty, 11:18  
     inguinal, in infancy and early childhood, 9:16  
 Histoplasmosis, diagnostic problem of, 8:13  
 Historical Fund of the Navy Medical Department, 9:2,  
 11:2  
 Hormone therapy in prostatic cancer, 12:15  
 Hypertension, results of prolonged treatment with  
     pentolinium tartrate, 2:9  
 Hypertensive pulmonary vascular disease, 9:7  
 Hypotension and hypothermia for major pelvic surgical  
     procedures, 2:14  
 Hypoxia, suspected in high altitude flight, 8:38
- IMMUNIZATION**  
     poliomyelitis vaccine, 1:30  
     poliomyelitis vaccine for adults, 9:31
- Industrial**  
     health data sheet, 2:37  
     hygiene, causes of fatigue, 9:40
- Industrial medicine**  
     clinical manifestations of ozone poisoning, report  
     of new source of exposure, 11:37  
     control of occupational dermatitis, 10:36  
     incidence and management of common eye injuries,  
     survey of 1107 cases, 11:37  
     notes from occupational health branch, preventive  
     medicine division, 10:35  
     pulmonary granulomatosis of beryllium workers,  
     case report (Canada), 11:38  
     radiation protection, problem of atomic age, 11:38  
     "Why They Wear Their Safety Goggles in Their  
     Pockets," 11:39
- Industry, guiding principles of medical examinations,**  
 9:34
- Influenza during winter 1955 - 1956, 9:31**
- Insects and insecticides**  
     BuDocks directives pertinent to preventive med-  
     icine, 5:39  
     Mediterranean fruit fly in Florida, 5:36  
     shipboard use of kerosene-based insecticides, 2:35  
     vector and pest prevention and control, 2:33
- Instructions, BuMed**  
     5202.2A - Work measurement program, civilian, 1:21  
     5360.10B - Decedent affairs program, 2:27  
     6710.31 - Medical and dental material, defective, 2:28  
     6230.8 Sup-2 - Poliomyelitis vaccine, extension of use,  
     2:28  
     6222.3B Sup-1 - Venereal disease, prevention, 2:28  
     1321.2A - Scientific, technical, professional meetings,  
     2:30  
     6010.2B - Accounting procedures for collection agents,  
     3:22  
     6150.18 - Civil Service medical record jacket, 3:23  
     6250.5 - Insect and rodent control, 3:23  
     7301.3B - Army & AF patients, travel costs of, 3:24  
     6700.17 - Respirators, distribution & reporting, 3:24  
     1510.7 - Outservice training for enlisted HMC, 3:23  
     6600.2 - Dental service report, 5:20  
     7303.11 - MD funds for attaches, 5:20
- 3150.1 - Technical film reports, production of, 5:21  
 3150.2 - Training films and motion pictures, 5:21  
 6710.33 - Medical and dental material, defective, 6:25  
 1416.4 - Promotion, examination for, officers, 6:25  
 6820.4D - Books, medical, dental, technical require-  
     ments for and procurement of, 7:24  
 12,000.3 - Civilian informational releases, 7:24  
 6230.8A - Poliomyelitis vaccine, Salk, 7:24  
 6710.34 - Medical and dental material, defective, 7:25  
 1532.1A - Aviation selection tests, 8:24  
 6600.1 Sup-1 - Dental service report, equipment and  
     facilities, 8:24  
 4100.1A - Conservation of material resources, 10:25  
 6310.3 - Sick list, patients continued on, 11:27  
 1510.4B - Training for HC Group X, 12:21  
 Instructors needed for technicians' schools, Classes  
     A, B, and C, Dental, 1:25  
 Intelligence reports, medical, 10:19  
 Intestinal infections, epidemiological significance of  
     fruit and vegetables in transmission of, 2:38  
 IPP, aerosol therapy in pediatrics, 1:12  
 Ischemic contracture, Volkmann's, 7:2  
 Isotopes, radioactive course in clinical use of, 8:19
- JACKETS, uniform medical, for civilians, 2:40**  
**Jet trainer accidents, 8:29**
- KEROSENE-BASED insecticides, on shipboard, 2:35**  
**Kidney, treatment of acute nephritis, 3:16**
- LABORATORY, clinical procedures, course, 6:30**  
**Lead poisoning, morphology of erythropoietic cells, 11:39**  
**Leukemia**  
     acute, over age of fifty, 10:10  
     newer agents in treatment of, 11:23  
**Lingual cancer, management of, 11:16**  
**Liver**  
     disease in young women, chronic, 5:11  
     primary hepatoma in infants and children, 2:15  
**Lung**  
     pulmonary complications of amebiasis, 8:8  
     primary pulmonary carcinoma with active  
     pulmonary tuberculosis, 6:8  
     IPP, aerosol therapy in pediatrics, 1:12
- MAN-DAYS given by Reserve officers (9th District) 5:24**  
**Manpower loss from motor-vehicle accidents, Navy and  
 Marine Corps, 1955, 7:15**
- Manual**  
     Preventive medicine, second progress report, 2:36  
     Preventive medicine, 6:40  
**Marine Corps dental program, highlights of, 4:21**  
**Mass casualties, dental training for emergency, 5:2**  
**Medical-Dental Symposium, Reserve, USNH, Phila., 5:24**  
**Mediterranean fruit fly in Florida, 5:36**  
**Megavolt electron therapy, physical aspects of, 11:12**  
**Membrane filter, in water bacteriology, 9:36**  
**Mess sanitation improvement, 5:40**  
**Military**  
     medicine section AMA (papers for meeting) 7:17  
     surgeons, association, 63rd annual convention, 7:16  
**Motor vehicle accident prevention program, USMCAS, 6:22**  
**Myocardial infarction**  
     anticoagulant therapy, long-term for, 6:6  
     treated by early ambulation, 5:13

- NACA 1956 INSPECTION, Langley Aero. Laboratory, 12:30  
 Nephritis, acute, treatment of, 3:16  
 Nerve gas poisoning, 6:15  
 Noise problems, training films on high intensity, 4:36  
 Non-Pay dental companies, participation in, 3:26  
 Notices, BuMed  
   7303 - Medical care, appropriation for ships, 1:20  
   6600 - Dental service report, 1:21  
   1510 - Training for enlisted HC members, 1:21  
   7110 - Budgetary medical and dental requirements, 2:30  
   6750 - Operating dental units, conversion to higher speed operation, 2:30  
   6230 - Influenza vaccine use of, 3:22  
   6320 - Hospitalization and subsistence rates, '57, 6:27  
   6120 - Physical examination of officers, annual, 7:23  
   6700 - Medical and dental departments, Reserve Fleets, 7:25  
   5511 - Malaria, epidemic control and epidemiology reports, declassification of, 8:24  
   5042 - Surveys of functional area, on-site, 9:23  
   6230 - FSN 6505-299-8268, globulin, poliomyelitis, immune, human, 10 cc. disposition of, 10:26  
   6470 - radioisotopes, regulations on use of, 10:26  
   11240 - Ambulances, requirements for, fiscal year 1958, 10:27  
   4630 - Aeromedical evacuation, continental U.S., 12:21  
   6120 - Physical examinations, periodic, 12:21  
 Nursing education program for HC Waves, 10:20
- OBESITY and the reducing diet, 12:3
- Obstetrics and Gynecology  
   American Board of, statistics on exams, 1:19  
   chordotomy for pain of gynecologic malignancy, 11:20  
   functional uterine bleeding, 1:15  
   pregnancy complicated by amyotrophic lateral sclerosis, 4:6  
   sickle-cell anemia in pregnancy, 7:9  
   tuberculosis and pregnancy, 4:8  
   vaginal delivery following cesarean section, 6:13  
   viral infections during pregnancy, 7:39  
 Obstructive pulmonary emphysema, chronic, 7:8
- Occupational  
   dermatitis, control of, 10:36  
   health branch, notes from, 10:35  
   health, course in, for Naval Medical officers and civilian physicians, (NYU-Bellevue MC), 1:37  
   medicine, certification by American Board, 2:35
- Ocular prosthesis, (Dental School, NNM), 4:21  
 Officer correspondence courses, applying for, 6:30  
 Operating room technic (ORT) HC training in, 9:23  
 Operation Build-Up, 4:20, 5:23, 7:28, 8:26
- Ophthalmology  
   ocular prosthesis, 4:21  
   eye infections following cataract extraction, 3:13  
   failure in retinal detachment, 6:18  
   incidence and management of common industrial eye injuries, 11:37  
   retrolental fibroplasia, 9:2
- Otolaryngology, rehabilitation of hard-of-hearing, 12:9  
 Ozone poisoning, clinical manifestations of, 11:37
- PACKAGE CURRICULUM, for Reserve companies, 8:28  
 Pancreas, cystic fibrosis of, 8:5  
 Pancreatic dornase aerosol, 10:8  
 Pancreatitis, postoperative, 10:15  
 Paratyphoid, epidemic of, 5:33
- Pastoral counseling seminar, USNH, Corona, Calif., 4:2
- Pediatrics  
   death in early life, 11:16  
   epiphysiolysis, 10:6  
   inguinal hernia in infancy and early childhood, 9:16  
   IPP aerosol therapy in, 1:12  
   multiple skeletal lesions due to trauma, 3:10  
   primary hepatoma in infants and children, 2:15  
   purpura in childhood, 6:5  
   retrolental fibroplasia, 10:2
- Penicillin prophylaxis of gonorrhea, 1:2  
 Pentolinium tartrate, prolonged treatment with, 2:9  
 Peritonitis, severe, corticosteroids in, 12:12  
 Personnel and Professional Notes, 4:14, 7:21  
 Pesticides, new standard, added to Navy list, 5:38  
 Pharyngeal-conjunctival fever, role of swimming pools in transmission of, 1:31  
 Pheochromocytoma, 10:17  
 Physicals for dependents going to Spain, 5:38  
 Physical examinations at main Reserve recruiting stations, 3:33  
 Picker-type x-ray machine, safety precautions in use, 9:19  
 Plantar warts, roentgen therapy of, 11:14  
 Plastic resins, handling of, 3:37  
 Poison control centers, 3:37
- Poisoning  
   clinical manifestations of ozone source of exposure, 11:37  
   food (barracuda), 8:17  
   nerve gas, 6:15  
   some observations on morphology of erythropoietic cells in human lead poisoning, 11:39  
   strychnine, treatment of with Mephensesin, 6:3  
   studies by University of Missouri, 9:5  
   treatment of barbiturate, 2:2
- Poliomyelitis  
   vaccine, 1:30  
   vaccine for adults, 9:31  
   vaccine, effect of freezing, 2:33  
   vaccine, special requirement, 7:32
- Postgraduate short courses for Medical officers, 2:20  
 Power, emergency, electric in operating suites, 7:40  
 Pregnancy complicated by amyotrophic lateral sclerosis, 4:6
- Preventive medicine  
   developing field of, 1:34  
   manual of, 6:40  
   manual of, second progress report, 2:36
- Primary hepatoma in infants and children, 2:15  
 Prolonged treatment with pentolinium tartrate, 2:9
- Promotion  
   of MSC officers, Reserve inactive, 3:28  
   new requirements for, 2:31  
   point requirements for Reserve officers, 10:33  
   points through officers school courses, 10:32  
   requirements, Reserve Medical Department, 1:26
- Prophylactic treatment of cancer, 5:6  
 Prostatic cancer, hormone therapy in, 12:15  
 Prosthodontics, diplomates of American Board, 10:28  
 Pseudomembranous enterocolitis, 1:9  
 Publications available to inactive Reservists, 11:32
- Pulmonary  
   carcinoma, primary associated with active tuberculosis, 6:8  
   complications of amebiasis, 8:8  
   diagnostic problem of histoplasmosis, 8:13  
   emphysema, chronic obstructive, 7:8

Pulmonary (continued)

- granulomatosis of beryllium workers, 11:38
- infarcts and carcinoma, 11:21
- vascular disease, hypertensive, 9:7
- yearly chest survey, 3:40

Purpura in childhood, 6:5

RABIES, human, prevention of, 7:32

Radiation

- biologic effects of atomic, 4:12
- clinical use of radioactive isotopes, 8:19
- future of atomic energy, 3:34
- megavolt electron therapy, physical aspects, 11:12
- problem of atomic age, 11:38

Radiology

- betatron therapy in vesical carcinoma, 9:13
- cobalt 60 beam therapy, 6:9
- "The Margin of Safety is Wide," 10:39
- radiation exposure during oral roentgenography, 2:12
- roentgen manifestations of caisson disease, 3:15
- roentgen therapy of plantar warts, 11:14
- therapy, bronchial cancer, results in, 4:10

Reduction diet, obesity and, 12:3

Research, Naval, in dentistry, 10:29

Research projects, recent, 2:26, 6:23, 10:24

Reserve

- HC training program, 9:26
- officers, inactive, courses available to, 7:30
- officers, inactive, requirements for promotion, 3:28
- officers, requirements for promotion held in abeyance, 10:31
- physical examinations at recruiting stations, 3:33
- research seminars, 12:39
- retirement points for dental-military seminar, 4:20
- retirement and promotion points, 12:26
- staff corps selection boards, quotas for, inactive, 12:25

Reservist's Creed, Naval, 9:28

Resuscitation in the dental office, principles of, 8:9

Retroental fibroplasia, 10:2

Retinal detachment, failure in, 6:18

Rheumatoid arthritis, management of, 9:8

Rodent ulcer, 12:14

SAFETY

- facial injuries, automobile casualties, 3:8
- "Fatal Fallacies", in operating motor vehicles, 7:14
- goggles, why they wear them in their pockets, 11:39
- manpower loss from motor-vehicle accidents, 7:15
- plastic resins, handling of, 3:37
- precautions in use of Picker-Type x-ray machine, 9:19
- problem of atomic age, radiation protection, 11:38
- shipboard use of kerosene-based insecticides, 2:35
- "Take It Easy" 10:21

Salmonellosis aboard ship, epidemic of, 11:35

Salvage of RC-21 by USS Tringa from 230 feet, 9:30

Sea duty for dental officers, 4:20

Sears Roebuck Foundation, 5:20

Seminar
